Primary Science
Level 5
Year 4 Broad Learning Outcomes

The following learning outcomes should be assessed throughout the scholastic year. It is suggested that two or three learning outcomes will be selected per term to be assessed as part of the 40% continuous assessment. This element of flexibility will facilitate multi-disciplinary integration which is highly encouraged and also specified in the NCF, 2012.

Learning Outcome 1
What do Scientists do?

Learning Outcome 1 *What do Scientists do?* will be integrated throughout the framework for Level 5 (Year 3 and Year 4).

4.1.1	I can ask questions that can be investigated scientifically.
4.1.2	I can find out about a simple scientific idea.
4.1.3	I can make a prediction about a situation from a limited number of options.
4.1.4	I can carry out a simple practical investigation with the teacher's support, ensuring it is a fair test.
4.1.5	I can record observations in a simple format.
4.1.6	I can make simple conclusions from my direct observations.
4.1.7	I can apply knowledge to practical situations.
